

Update of Yang Ming's Arrangement in Respect of Hanjin Shipping Rehabilitation

It has been reported that Hanjin Shipping commence the procedure of rehabilitation in Korea on 1 September, 2016. Yang Ming, as a member of CKHYE alliance, will do its utmost to minimize the impact of the affected cargoes and keep closely monitoring the situation whatsoever.

To update the latest status of the Hanjin vessels and provide full information about the alternative plans for Yang Ming's affected services, it has summarized the current positions and status of the affected Hanjin vessels, further transshipment plans, and developed substitutive services to cover the disrupted services.

For detailed information please refer to below:

Vessel Status Update.....Page 2-3

Substitutive Services.....Page 4-10

NAX636S/N ETA Yokohama 2016/9/11 (original HANJIN AQUA position) will be replaced to be performed by a share vessel, BANKOK BRIDGE 056S/N, which will phase in from Pusan ETA 2016/9/14.

NAX368S/N ETA Yokohama 2016/9/25 (original HANJIN MILANO position) will be arranged as blank sailing for Chinese National Holidays.

YM and NAX partners will provide substitute vessels to replace Hanjin vessel position to minimize the impact.
