

Customer Information

Our new East-West network

February 2017

HAMBURG  SÜD

Our new East-West network

Hamburg Süd is pleased to advise customers about our improved East-West network commencing in April 2017. As a partner on the 2M alliance, Hamburg Süd will be able to offer 16 weekly departures covering more than 60 ports on a direct basis:

- Asia – North Europe: 5 sailings per week
- Asia – Mediterranean: 2 sailings per week
- Asia – North America West Coast: 4 sailings per week
- Asia – North America East Coast: 3 sailings per week
- Europe – North America East Coast: 2 sailings per week

Coupled with Hamburg Süd's outstanding level of personalized service, customers will benefit from an improved port coverage, 146 direct port pairs and very competitive transit times.

Combined with our intermodal network and comprehensive coverage of the North-South trades with offices and agents in all key cities we welcome the opportunity to serve your transportation needs in the East-West trades.

We Take It “Personally”

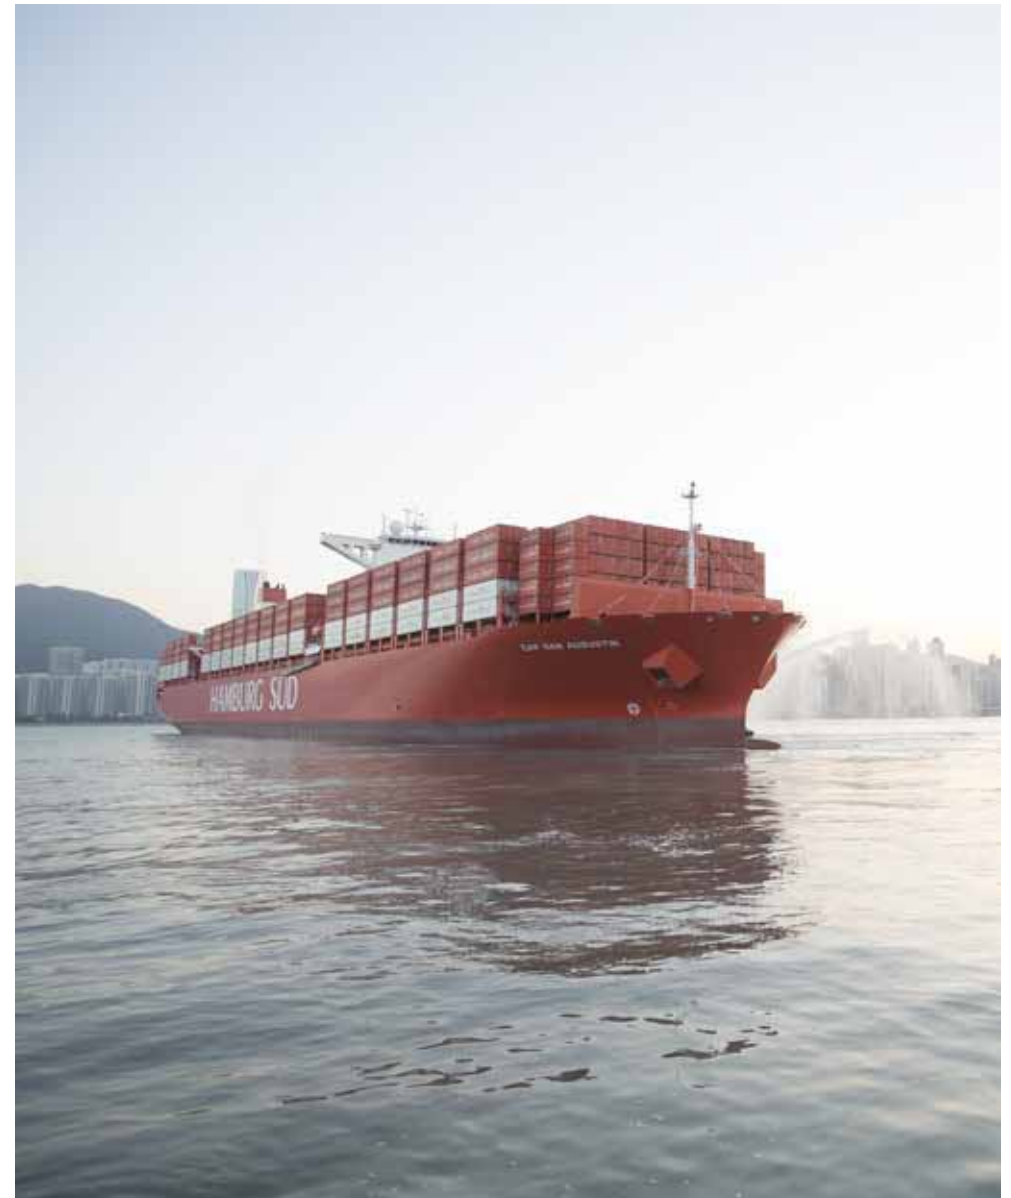

With more than 250 offices worldwide and competent employees on site, Hamburg Süd boasts proximity to our customers that’s practically unparalleled in our industry.

In other words, direct contact with our customers, giving them individual support and advice, is our top priority. We quite literally take our business “personally”. This also puts us in a better position to understand and meet our customers’ special needs and wishes.

No matter the situation, we guarantee a rapid, cost-efficient solution for customers’ transport needs right along their logistics chain. And we aren’t happy unless every service is of the highest quality, whether in terms of reliability, schedule integrity, or sustainability.
