Dear Valued Customer,

**June 11, 2018**

**To: BNSF Intermodal Customers**

### **Intermodal Storage (Dwell) Policy Update**

Effective September 10, 2018, BNSF will be make the following adjustments to the Intermodal Storage Policy.

#### ***Notification Day***

The event used to determine the day of notification will continue to be either the Patron Notification (PN) or Estimated Time of Notification (ETN), whichever occurs at the later date and time. The Day of Notification will now be the day in which this later event occurs, regardless of the time of day that it occurs.

#### ***New ISP Domestic Shipment Notification***

For Domestic shipments where the shipper has provided BNSF with an ISP (Integrated Service Planning) planned out gate date, the event used to determine the day of notification will be the ISP date. If shipment availability is after the ISP date, then standard BNSF storage rules will apply.
