

Hapag-Lloyd revises INDAMEX 2 service rotation

October 10, 2023

Hapag-Lloyd has decided to discontinue its vessel calls at Norfolk, US on its INDAMEX 2 (IN2) service, effective from November 2023.

The updated IN2 service port rotation will be as follows:

Port Qasim (Pakistan) - Mundra (India) - Nhava Sheva (India) - Jeddah (Saudi Arabia) - Charleston (US) - Savannah (US) - Port Qasim

The German ocean carrier said it will use its INDAMEX (TPI) service as an alternative solution for its customers' Norfolk cargo.
