

## Free Night Opening at Medrepair S11

Dear Customer,

We would like to remind you that the **pick up and drop off** of containers at **Medrepair S11** is still **completely free of charge during nighttime hours (22:00h - 06:00h)**.

Our dedicated team is fully prepared to handle your cargo during the night, allowing you to avoid road congestion in and around Antwerp during the day.

To take advantage of the free nighttime container pick-up and drop-off, simply follow these steps:

1. **Pre-register** via <https://medrepair-be.medlog.com>
2. Login to **Avantida** (<platform.avantida.com/#/signin>) and make a Flexgate request using the Medrepair barcode.
3. Once your request is **approved**, you are all set!

What steps should you follow on Avantida? Read it in our guideline:

**AVANTIDA GUIDELINE**

**Opening hours Medrepair S11:**

- Continuous service from Monday 06:00 to Saturday 06:00
- Night openings between 22:00 - 06:00
