

MSC announces rotation change of Santana service

November 22, 2023

MSC will change the port rotation of its Santana service as part of its ongoing efforts to simplify services for greater schedule reliability and competitive transit time.

The updated service rotation will take effect with the sailing of the 13,100 TEU container ship MSC Benedetta and will be as follows:

Yantian (China) – Ningbo (China) – Shanghai (China) – Qingdao (China) – Busan (South Korea) – Manzanillo (Mexico) – Cristobal (Panama) – Caucedo (Dominican Republic) – New York (US)
