Here's a schedule update for our IOS service

If you are shipping with our Indian Ocean (**IOS**) service, please take note of the following schedule changes that might affect your cargo planning. These changes will be in place during the months of December 2023 and January 2024.

For your reference, please find below the updated sailing schedules, including vessel name, westbound (WB) and eastbound (EB) voyage numbers, and estimated time of departure (ETD) per direction:

| Vessel Name - WB / EB Voyage | Jebel Ali (AE) ETD Westbound | Rotterdam (NL) ETD Eastbound |
|-------------------------------------|---|---|
| NILEDUTCH LINE V. 3349W / V. 3344W | December 4, 2023 | January 1, 2024 |
| No Vessel | December 11, 2023 | January 8, 2024 |
| NYK VESTA V. 083W / V. 084E | December 18, 2023 | January 15, 2024 |

With your cargo planning in mind, we suggest to rebook your cargo to our Indian Ocean Service (**IO3**)

- Jebel Ali, UAE (westbound) alternative: COSCO GLORY V.073W on December 13, 2023
- Rotterdam, NL (eastbound) alternative: APL SALALAH V.0PE84E1MA on January 9, 2024

If you have questions concerning the above changes, please contact our customer service team at your **location**, who will be happy to guide you based on your individual situation.
