# CMA CGM, COSCO SHIPPING, Evergreen and OOCL to extend OCEAN Alliance until 2032

- Leading ocean carriers, founding members of the world's largest shipping network, extend operational cooperation for at least 5 additional years from 2027.
- Since 2017, OCEAN Alliance enables the four partners to deliver best-in-class services to their respective customers with fast transit times, competitive sailing frequencies, and the most extensive port coverage.
- OCEAN Alliance, a stable, reliable and trusted partnership covering the 7 major East/West trades, mainly connecting Asia to Northern Europe, the Mediterranean, the Middle East and the East and West coasts of North America.
