

CMA CGM to enhance its MEDCARIBE service connecting the Mediterranean with the Caribbean & Northwestern South America

SERVICES UPDATES

CMA CGM is pleased to announce its customers the following enhancements to its MEDCARIBE service:

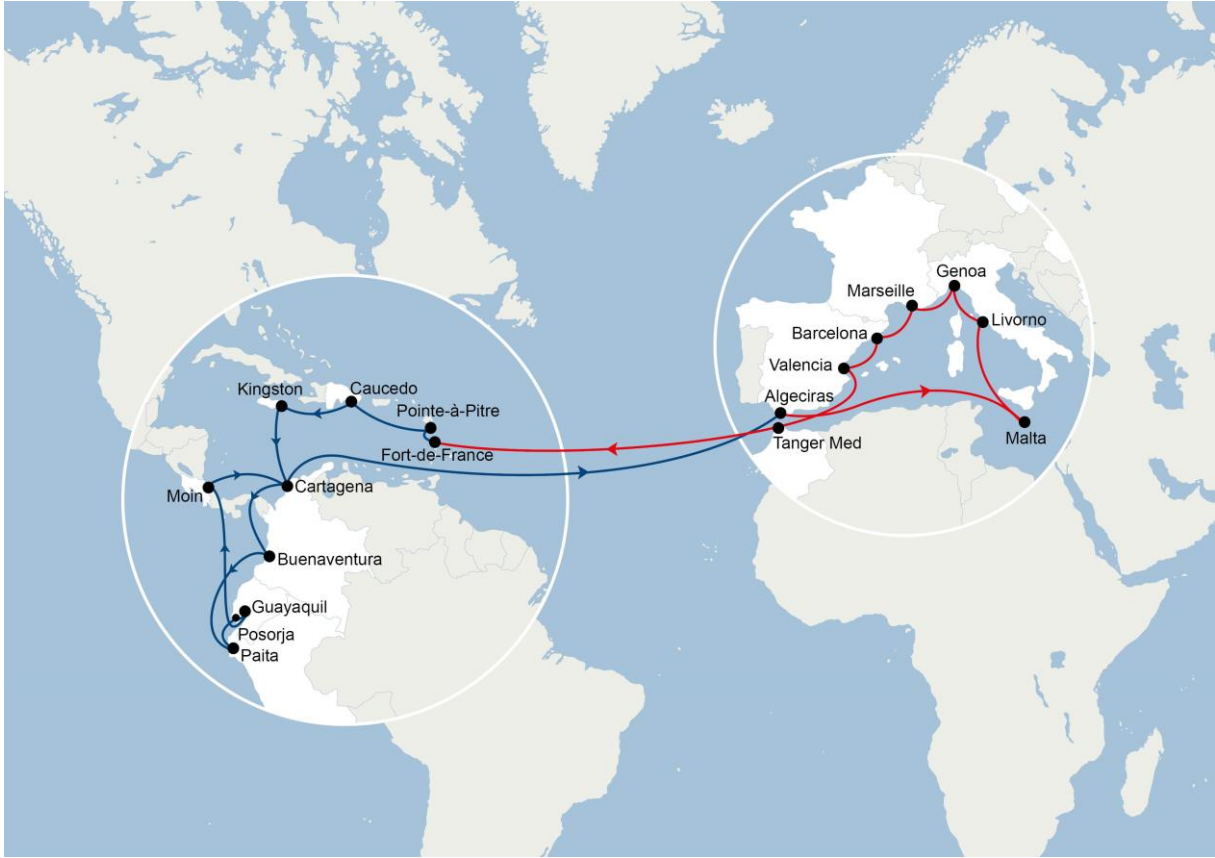

- Addition of a ninth vessel to the MEDCARIBE fleet:

This additional vessel will provide a greater buffer to overcome operational contingencies (port congestion, bad weather and others). Consequently, it will bring our schedule to a high level of reliability. The vessel will be phased-in in Ecuador at the end of March.

- New Westbound call in Tanger:

With the aim to improve our coverage and solutions proposed to our customers, a Westbound call in Tanger will be added to the rotation as from **March 5th, 2024**.

Rotation will then be as follows : Algeciras – Malta – Livorno – Genoa – Marseille – Barcelona – Valencia – **Tanger Med** – Fort de France – Pointe à Pitre – Caucedo – Kingston – Cartagena – Buenaventura – Paita – Posorja – Guayaquil – Moin – Cartagena

Do not hesitate to contact your usual CMA CGM local teams should you need further information.
