

Shipping between North Europe and Latin America? Here's a new port coverage for our ECX service!

Dear Customer,

If you're shipping with our Europe East Coast Express (**ECX**), here's an update for your cargo planning. From March 2024, the port coverage on the South America East Coast will change on its southbound voyage where Itapoa, BR will replace Navegantes, BR.

For your reference here's an overview of the new service rotation:

- Rotterdam, NL > London, GB > Hamburg, DE > Bremerhaven, DE > Antwerp, BE > Le Havre, FR > Sines, PT > Rio de Janeiro, BR > Santos, BR > Itapoa, BR > Buenos Aires, AR > Montevideo, UY > Rio Grande, BR > Navegantes, BR > Paranagua, BR > Santos, BR -> Rio de Janeiro, BR > Salvador, BR > Pecem, BR > Tangier, MA

If you'd like to plan ahead, you can find out the first port of call of the new rotation, including vessel voyage, Estimated Time of Arrival (ETA), port and week by clicking the button below:

[ECX Service Update](#)

If you would like to view our vessels' schedule information, please visit our vessel tracker in our **Online Business Suite**. If you have questions concerning the above changes, please contact our customer service team at your **location**, who will be happy to guide you based on your individual

situation.

Best regards,

Maria-Fernanda
