

## Here's an update for our local charges and trade fees

Dear Customer,

We know that your cargo planning happens across different geographies in the world. Therefore, we want to make sure that you keep yourself updated with the latest fees for your preferred origin and destination countries.

To easily access these updates, please visit the following sections on our website that present a geographical overview covering all regions in the world:

- [Local Charges and Service Fees](#)
- [Detention and Demurrage](#)
- [Inland Haulage](#)
- [Terminal Handling](#)
- [Trade Surcharges](#)

You can view this update on our latest news by visiting this [page](#), where you will also find a document with an overview of the changes per country and trade. This means that if there has been a change in the country or geographical scope of your interest, you will find it listed there. Please keep in mind that this is a reference document, and that all relevant information is available to you in our website's tariff section.

If you should require additional information, please contact our customer service team at your [location](#), who will guide you based on your individual situation.

Best regards,

**Maria Fernanda**
