

'TRANSPORT WORKERS' UNION STRIKE IMPACT IN FINNISH PORTS

EUA Advisory

Mar 21, 2024

Dear Valued ONE Customer,

Further to our Customer Advisory, dated 11th of March 2024, we have received an update that ongoing strike in Finland has been extended for another week. Hence, the strike will not end until 1st of April 2024.

We expect that operations will resume on 2nd of April 2024, due to the Easter holidays.

The strike will continue to have significant impact on operations and will lead to further backlog of cargo to/from Finland.

We will continue to keep you informed of any relevant updates.
