Mar 11, 2024

Dear Valued ONE Customer,

Finnish Transport Workers' Union AKT has begun their strike impacting all Finnish ports and terminals on 11th March at 6 AM until 25th March at 6 AM. The Union AKT has declared the strike in opposition to proposed amendments by the country's government to labour legislation.

The strike will have significant implications widespread across the Finnish society and specifically all Finnish port operations will be suspended as a consequence.

All vessel operations in Finnish ports, gate moves and handling of containers within terminals are now suspended until 25th March at 6 AM.
