

Update: Shipping from Far East to Europe? A price announcement is available

Dear Customer,

You might have received our mail yesterday with this update. We are sorry that we shared the wrong link to connect you to the geographical scoping of this announcement, and therefore, we're including the right link in this email.

Our ocean tariff rates for Freight All Kinds (FAK) between Far East and North Europe as well as the Mediterranean will increase. The increase applies for cargo transported in 20' and 40' Dry containers, including High Cube equipment, and Reefer for sailings commencing on tariffing date April 1, 2024. You will find all the details of this update in the button below, including geographical scopes and amounts.

[Click here](#)

The ocean tariff rates from **Far East to North Europe and Mediterranean** include Marine Fuel Recovery (MFR) and are subject to our tariff conditions and surcharges.

If you require more information related to Ocean Tariff rates, please visit the [tariff section](#) of our website. As an alternative, please contact our teams at your [location](#), who will be happy to guide you based on your individual situation.

Best regards,

Maria-Fernanda
