Our CGX service is back, now connecting China, West Africa, and Germany

Dear Customer,

In a time when reliability and space availability are the essence, one of the best options to transport your cargo is with a lean service. Back to our service catalogue, our China Germany Express kicks off **in June** this year.

Thinking about your cargo planning and the current market developments, we'll relaunch our service as a response to the current industry challenges, reducing complexities and expanding network opportunities for your business.

If your China-Germany supply chain needs a boost, or perhaps you were looking for extra capacity to West Africa, then hop on board our CGX and together, we will make it happen!

- **Secure** your **space** between Asia, West Africa and North Europe.
- **Plan** efficiently with **schedule reliability** supported by the super lean port rotation.
- Unique **connectivity** options in West Africa at Tema, GH.
- **Take advantage** of the **intermodal** network and easily connect your cargo in Germany.

Curious about the CGX's rotation?

Our service will seamlessly call:

- Yantian (CN) -> Singapore (SG) -> Tema (GH) -> Wilhelmshaven (DE) -> Antwerp, BE

Need more details?

- At Tema, you have the option to connect your cargo to Abidjan (CI), Lagos (NG), Cotonou (BJ), Pointe Noire (CG) and Luanda (AO).
- At Wilhelmshaven, benefit from the port's infrastructure and connectivity for your supply chain optimization
- **Mark your calendars** with our maiden sailing of **MV Express Argentina:**
    - **Westbound** Yantian – Wilhelmshaven scheduled for **June 16, 2024**
    - **Eastbound** Wilhelmshaven– Yantian scheduled for **July 23, 2024**

If you should have any questions, please feel free to reach out to our teams at your preferred location. If you'd prefer to plan ahead, you can visit our interactive schedules or get your Quick Quotes on our Online Business Suite.

Let's sail together!
