ALERT

BEWARE OF INVESTMENT SCAM VIDEOS

28 May 2024

Ocean Network Express (ONE) is aware of investment scam videos on YouTube, and potentially other online platforms, that reference ONE and the ONE Mobile App.

Please note that ONE does not offer investment advice or investment services. Any video with the ONE name offering investment advice or investment services is fraudulent. We are working closely with our security team to remove these scam videos.

The official ONE Mobile App from the following app stores is operating normally and is safe to use.

* For China Users only

ONE **strongly encourages** the public to ensure the legitimacy of any video asking for financial contributions or personal information. Anyone engaging in such activities is doing so at their own risk.

Suspicious videos or suspected fraudulent activity using the ONE name can be reported to scamreports@one-line.com.

ONE would like to thank our customers for their understanding and continuous support of our services.

Thank you.
