Above charges are additional to the applicable base freight charge, THC, bunker, security and PSS related charges which are provided in **ZIM's Tariff Calculator** (U.S. trades are provided in www.boterates.com User: ZfreA6 Password: Access16!) as well as other charges for additional services, local charges and contingency charges.

At ZIM, we are committed ensuring compliance with the EU ETS while continuing to offer reliable and efficient shipping services. We appreciate your understanding and support as we work together to address the global challenge of climate change.

For details regarding specific agreements, other commodities, and other cargo types, such as reefer cargo, please approach our local office.

Sincerely,
ZIM Integrated Shipping

(*) These rates are unaffected by, and do not affect, any tariff notified, published, or filed in accordance with local regulatory requirements. For trades subject to the US Shipping Act or the China Maritime Regulations, application is subject to the publication and effective date requirements of those statutes / regulations. Quotations or mitigation of published surcharges that vary from ZIM's tariff shall not be binding unless included in a service contract or amendment that has been filed with the Federal Maritime Commission ("FMC") or the Shanghai Shipping Exchange, as applicable.

(**) Russian trades are excluded. For details regarding freight and charges for Russian trades please contact the local sales/customer representative.

(***) The new NEF rate in this trade reflects the addition of the port of Valencia (ESVLC) to the ZMP service rotation. For bookings from China (Excluding Hong Kong/Taiwan) to Europe, the relevant NEF will be included in the base ocean freight.
