MIM Service // Harare 40' Merchant Haul Empty Turn In Amendment

Dear Valued Customer,

We hereby regretfully must inform you that we will be amending the empty turn in location for all 40' bookings under merchant haul into Harare, Zimbabwe. This change is due to all ONE contracted depots in Harare being near full capacity and have no other option but to enforce this change.

Therefore, effective from and including **Box Endeavour 0029W** all 40' bookings through Beira and under merchant haul into Harare, will be required to EMPTY return back into Beira ONE contracted depot.

This new empty turn in location for 40's under merchant haul bookings [Beira depot] will be in force until further notice.

We apologize for the inconvenience this change may cause you and thank you for your continuous support and kind understanding in this regard.

Yours Sincerely

ONE Marketing and Commercial
