

## DP World Antwerp - Peak Surcharge

Dear Sir, dear Madam,

We would like to inform you that as of June 6, 2024, DP World Antwerp (1700) will introduce a surcharge for time slots. This surcharge applies to trucks, per approach to the terminal. At Contargo, we are directly impacted by the peak surcharge, as we are often required to access the terminal during peak hours.

Unfortunately, we must pass on these surcharges along with the associated administrative costs of € 17.50 for all containers to and from DP World Antwerp, 1700 directly to our customers. This surcharge will not apply to containers transported by train or barge (without port transfer).

We hope for your understanding and kindly ask you to pass this information on to all responsible employees within your company.

If you have any questions and/or require further information, our personnel will be glad to help you.

Kind regards,

The Management, Contargo GmbH & Co. KG
