

SRX SERVICE UPDATE – M/V SANTA RITA V.241N/242S

EUA Advisory

Jul 22, 2024

Dear Valued Customer,

The arrival of the M/V Santa Rita in Europe has been delayed following operational delays incurred in South Africa. In order to avoid the vessel clashing with the M/V ONE Reassurance it has been decided that the M/V Santa Rita v.241N/242S will omit her London Gateway call in order to restore integrity.

London Gateway imports will be discharged in Rotterdam and connected to M/V ONE Reassurance v.242N, ETA London Gateway 03 August 2024.

Cargo originally planned for loading from London Gateway will be transferred to M/V ONE Reassurance v.243S, ETA London Gateway 03 August 2024.
