

# Announcement of revised schedules on Western Australia Connect

24 July 2024

Asia Pacific

At Maersk, we're committed to providing service offerings that support your supply chain and logistics requirements.

Following an analysis of the current Western Australia Connect schedule, we will perform the following actions to improve forward schedule reliability between Australia and Southeast Asia.

1. Northbound, Maersk Yellowstone 433N will slide from 15 Aug to 22 Aug without voyage number change at Fremantle. Voyage number reset will start from Maersk Yellowstone 436N onwards to reflect the correct departure week.
2. Southbound, Maersk Yellowstone 435S will slide from 24 Aug to 31 Aug and voyage number will be changed from 435S onwards to reflect the correct departure week.
