

## **Shipping to an inland location? Here are 50 reasons why we're your partner for inland solutions**

Well, at least, here's the first one – and we'll let you discover the rest!

Reason # 1: We provide you a door-to-door service that presents a unique solution to take care of your cargo's journey on water and land, from the first to the last mile. No middlemen, no intermediary, no worries. Just Hapag-Lloyd's complete cargo care, from start to finish

One reason of 50! Starting today and over the coming weeks, you'll see our LinkedIn posts covering our inland capabilities, with unique views and advantages of our services. Our inland campaign is all about sharing the evolution of our inland solutions and how we keep developing them to fit your needs, supporting your cargo planning.

Every week, you'll see a post with a global approach, and if you take a closer look, there'll be a feature on a specific country. Perhaps next week, it could be yours!

So, head over to our [LinkedIn page](#) and get to celebrate with us #50reasonswhy
