

## MSC wins at the prestigious Maritime and Logistics Awards 2024

28/08/2024

MSC has won the 'Container Shipping Line of the Year: India – America, Africa & Europe Trade Lanes' Award at the 14th All India Maritime and Logistics Awards 2024 held at JW Marriott Sahar, Mumbai. MSC has won several different categories at these awards over the past 14 years, demonstrating our commitment to customer service and excellence.

Stakeholders from the Shipping ministry and a panel of maritime and logistics industry experts collectively declared MSC as the winner of this award. The independent jury investigated various aspects of carrier and overall performance growth over last year.

MSC has enhanced services to and from India over the last two years with the new Indusa and Sentosa Services added to existing routes connecting Asia to global markets. The company is constantly investing in its fleet and became the market leader in the shipping industry globally in 2022.

Mr. Indrajit Sengupta, Director – Commercial, MSC India expressed his delight at winning this award, “Our team has delivered excellent customer service and efforts in navigating through challenging times, and we are thrilled to have won this prestigious award. We will continue to march towards our goals in our journey as a team at MSC India.”
