Congestion Surcharge - Revision

For all cargo destined to the U.S. East Coast Ports/U.S. Gulf Coast Ports

Dear Valued Customers,

As an update to ONE's previous [advisory](#) on Congestion Surcharge, the new effective date will be **October 27, 2024** (based on cargo receipt date at origin) and will be split up into two surcharge codes and quantum listed.

Unless otherwise specifically indicated in a particular rate item and/or individual service contract, the following charges will be assessed on:

- All dry and refrigerated cargo (including exempt cargo).
- Discharging in the U.S. Atlantic (East) Coast Ports and U.S. Gulf Coast Ports.

1) CONGESTION SURCHARGE AT DESTINATION (CGD)

Origins: All origins except China

- USD 1000 per 20' container
- USD 2000 per 40' container
- USD 2000 per 40' high cube container
- USD 2530 per 45' container

2) CONGESTION SURCHARGE (CON)

Origins: All origins in China

- USD 900 per 20' container
- USD 1000 per 40' container
- USD 1125 per 40' high cube container
- USD 1265 per 45' container

- CGD and CON are collect at the destination.
- CON is less than CGD due to governmental regulatory requirements.
