

# INTRA EUROPE TRADE IBESCO – SERVICE SCHEDULE UPDATE.

## [EUA Advisory](#)

Nov 04, 2024

Dear valued ONE customer,

We understand that congestion has been causing delays to our IBESCO service. To improve reliability and efficiency, we're making the following schedule adjustments, effective with:

- M/V LNNT0014 N/S serving Scandinavia Rotation
- M/V WGGT0064 N/S serving Iberia Rotation
- Each rotation is supported by two of our four Ibesco vessels in operation.

Revised Scandinavia Rotation:

NLRTM ( ECT & RWG) > SEGOT > SEHEL > DKAAR > DKCPH > BEANR > NLRTM ( ECT & RWG)

Revised Iberia Rotation:

NLRTM ( ECT & RWG) > PTLEI > PTLIS > GBLGP > DEHAM > NLRTM ( ECT & RWG)

We are committed to providing you with a reliable and efficient service. These adjustments are part of our ongoing efforts to better serve your shipping requirements and ensure more consistent, timely service.

For further information or assistance, please contact your local ONE representative.

You may also refer to our published schedule:
