

## ONE launches new inland haulage service in Bahrain

November 4, 2024

Ocean Network Express (ONE) has introduced a new value-added service for inland haulage between the Bahrain terminal and the Bahrain City limits.

ONE has decided to announce this new service to “continuously provide a reliable service” in the country.

“This enhancement to our logistics solutions aims to provide you with greater convenience and efficiency in your shipping needs,” said the Singapore-headquartered ocean carrier in a statement.
