

WWG Pakistan - Advisory on Possible Disruptions Due to Protests in Islamabad

Dear Valued Customers and Partners,

We would like to inform you about potential disruptions due to ongoing political protests in Islamabad. The situation has led to the following updates:

1. **Motorways Closed:** All major motorways leading to and from Islamabad have been shut down by the government.
2. **Container Pick-Ups:** Factories in Faisalabad and Lahore are reporting delays, primarily in empty container pick-ups, as some containers have been seized by authorities to block roads.
3. **Air Freight:** Air freight operations in the northern regions remain largely unaffected at this time.
4. **Karachi Operations Unaffected:** Factories, airport, and port operations in Karachi continue without impact.

We are closely monitoring the situation and will provide timely updates to ensure minimal disruption to your operations. Should you require further assistance, please do not hesitate to reach out to your respective account manager.

Thank you for your understanding and continued support.

Regards
