

2025 CMA CGM Transatlantic North Europe network

Services Updates

CMA CGM is opening a new historic cooperation on Transatlantic along with its partners COSCO Shipping Lines, Oriental Overseas Container Line, Evergreen Line and Ocean Network Express. To provide our customers with the best products on the market, CMA CGM is reshuffling its Transatlantic setup as from February 1st, 2025. As a result, our clients will benefit from:

- **Top tier Transit Time and direct port coverage:** The fastest transit times within the North Europe to North America routes (Westbound & Eastbound).

- o Le Havre to New York 9 days
- o Bremerhaven to Charleston 10 days
- o Bremerhaven to Veracruz 16 days
- o Antwerp to Miami 12 days
- o Antwerp to Long Beach 28 days

- **Improved Mexico Link:** A fast and direct service from North Europe to Mexico with no US AMS requirements.

- **Highly reliable services** driven by operational efficiency and schedule accuracy.

- **"Best in class" Terminals:** Highly efficient terminal coverage, enabling "berth on arrival solutions" for our clientele. Liberty Bridge service will be operated at CMA CGM terminal Port Liberty Bayonne ensuring VIP treatment.

SAINT LAURENT

Montreal - North Europe

The map illustrates the shipping route for the Saint Laurent service. It features two circular callouts: one for the Montreal region and one for the North Europe region. In the Montreal callout, red arrows show a loop between Montreal and Halifax. In the North Europe callout, red arrows show a loop between Bremerhaven, Rotterdam, and Antwerp. A blue arrow points from the North Europe region back to the Montreal region, indicating the return leg of the service.
