### **Drewry: The World Container Index Increased 2% this week 02-2025**

- 10/01/2025
- by Shipping Telegraph

**In accordance with the assessment of Drewry Supply Chain Advisors, the container rates continue to increase again this week. As it is mentioned, their composite World Container Index increased by 2% to \$3,986 per 40-foot container.**

Freight rates from Shanghai to Los Angeles increased 13% or \$647 to \$5,476 per 40-foot container.

The rates from Shanghai to New York rose 10% or \$640 to \$7,085 per FEU while those from Rotterdam to Shanghai increased 1% or \$6 to \$522 per FEU.

Conversely, the freight rates from Shanghai to Rotterdam decreased 8% or \$399 to \$4,375 per 40-foot container and those from Shanghai to Genoa fell 4% or \$210 to \$5,210 per 40-foot container.

Likewise, rates from Los Angeles to Shanghai, New York to Rotterdam, and Rotterdam to New York decreased 1% to \$719, \$828, and \$2,698 per FEU, respectively.

The ILA and USMX have reached a tentative agreement, averting a looming port strike in January.

Nonetheless, Drewry expects rates on the Transpacific trade to rise in the coming week, driven by front-loading ahead of the anticipated tariff hikes under the incoming Trump Administration.
