

# Intermodal - CMA CGM Brazil enhances its intermodal sustainable solutions

## Intermodal

Looking for smarter and cost-effective intermodal solutions by rail in Brazil ?

CMA CGM is pleased to offer rail solutions connected to our 10 core maritime services on key global trade routes.

Santos, a strategic hub for intermodal solutions, provides :

- Connectivity with 4 major regions: São Paulo, Minas Gerais, Goiás, and Mato Grosso
- Access to 6 major rail terminals: Jundiá, Rondonópolis, Contagem, Itutinga, Juiz de Fora, and Anápolis
- Weekly rail departures with a transit time of 2 days to Jundiá and 7 days to other locations
- Santos transit time from Shanghai in 33 days, Pusan 27, Antwerp 16, Aliaga 21 and Norfolk 26 days.
