## **HMM TACOMA 0131W (IOM Service) - Schedule Update (2)**

Dear Valued Customer,

Further to our advisory dated 3rd January 2025 regarding the schedule delay of HMM TACOMA 0131W, sailing under IOM service, Ocean Network Express (ONE) would like to provide further updates on the situation.

HMM, as the operator of this Vessel, advises that following the attendance of a specialist salvage company to the Vessel, the fire has now been confirmed to have been fully extinguished. The Vessel is now anchored off Coega, South Africa and is expected to berth alongside on 7th January 2025.

Once berthed alongside, the impacted containers will be discharged and inspected.

Thereafter, the intention is for the Vessel to continue her voyage as per her original schedule.

We will provide updates as soon as more information is available.

We regret the inconvenience caused and thank you for your understanding in this regard.

Should you have any questions or concerns, please contact your sales account representative for additional information.

Please contact your local ONE representative for further information.
